THE POWER OF PRAYER

There is incredible power and potential in prayer. Through prayer, we invite the God of the Universe into a situation and into our lives. Prayer changes things, but even more prayer changes us. Through prayer, we have the opportunity to reach our full potential in Christ. The disciples said to

JESUS,

“Lord, teach us to pray.”

As we grow in our prayer life,
we become more alive and more engaged
with what God is doing.

None of us are perfect at prayer,
but as we take steps to grow spiritually
in our prayer life, the impact is incredible.

God will move mountains and
God will transform us into people of
love, joy, and peace through prayer.

Let's become people of prayer and
a church of prayer together.
